FUND DRIVE**

Supporting our staff, community and neighbors around the world

## We have ...

a proud tradition of providing quality services and are committed to bringing the very best in health care, housing, and community services to the Capital Region, and beyond.

We promise to further improve our ability to meet the community's needs and increase access to care for all, especially the poor and underserved.

Today, more than ever, your support is necessary to help meet the growing needs of the communities we serve.

By choosing to donate to the Employee Fund Drive, you send a powerful message to the community that St. Peter's Health Partners' employees believe strongly in our mission and are willing to support it.

Please remember, a gift of any size will be greatly appreciated. ***It is your participation that will truly make the difference!***
